Fraud Detection Analysis

Risk Assessment: **HIGH**

The fraud risk for the analyzed claims is rated as MEDIUM. Key indicators include a high claim amount for KITUI FLOUR MILLS LTD, a claim for KENAFRIC MANUFACTURING LTD close to policy expiry, and discrepancies in reported amounts. Further investigation and document review are recommended.

Treaty Exclusions Validation

No treaty exclusions violations detected.

Amount Reconciliation

All amounts reconciled successfully.

Bordereaux Total	\$0.00
Statement Total	\$0.00
Variance	\$0.00
Variance %	0.0%

Date Validation

All dates validated successfully.

Duplicate Claims Check

No duplicate claims detected.

Compliance Assessment

All compliance requirements met.

Final Recommendation

Decision: **REVIEW**

Rationale: Multiple validation concerns identified that require supervisory review before processing can proceed.

Required Actions:

- Schedule supervisory review meeting
 - Request additional documentation if needed
 - Validate disputed amounts with cedant
-

Authorization and Approval

This report requires the following authorizations before claim processing can proceed:

Claims Analyst

Signature

Print Name:

Date:

Supervisor Review

Signature

Print Name:

Date:

Underwriting Manager

Signature

Print Name:

Date:

Final Authorization

Signature

Print Name:

Title:

Date:

Approval Status:

- ☐ **APPROVED** - Proceed with claim processing
- ☐ **CONDITIONALLY APPROVED** - Proceed with conditions noted above
- ☐ **REJECTED** - Do not process claim
- ☐ **REQUIRES ADDITIONAL REVIEW** - Escalate to senior management

Note: This document serves as official authorization for claims processing. All signatures must be obtained before proceeding with payment or rejection actions.
